PUBLIC NOTICE

CUSTOMS & EXCISE (TARIFFS) AMENDMENT ORDER NO. 202

The Malawi Revenue Authority (MRA) is informing all importers and the business community that the Customs & Excise (Tariffs) Order under Customs Procedure Codes (CPC) 4000.405 and 4071.405 have been amended with immediate effect by inserting a new paragraph (c).

The amendments have been made to accommodate duty free importation of essential goods for Corona Virus (COVID -19) prevention, treatment and management. These include ventilators, oxygen concentrators, personal protective equipment, hand sanitizers, soaps, water treatment chemicals and other approved goods.

The corresponding entries in columns 1,2,3,4,5,6,7,8,9,10,11 and 12 are as follows:

1	2	3	4	5	6	7	8	9	10	11	12
4000.405 Direct Importation		Essential goods for Corona Virus (COVID - 19) prevention, treatment and management. These include, ventilators, oxygen concentrators, personal protective equipment, hand sanitizers, soaps, water treatment chemicals and such other goods as the Commissioner General may approve.	-	Free	Free	Free	Free	Free	---	exempt	Free
4071.405 Ex- Bonded Warehouse		Essential goods for Corona Virus (COVID - 19) prevention, treatment and management. These include, ventilators, oxygen concentrators, personal protective equipment, hand sanitizers, soaps, water treatment chemicals and such other goods as the Commissioner General may approve.	-	Free	Free	Free	Free	Free	---	exempt	Free

The Authority is, therefore, appealing to all importers and those concerned to take note of these amendments and comply accordingly.
